TABLE OF CONTENTS

TITLE   PAGE NO.

INTRODUCTION :-

In this project we are making "Examination Management System" here student can apply for various test & practice here and also check the results of various online and offline given test. This project is made with help of HTML,CSS and JavaScript.

OBJECTIVE :-

In today's world everything is going online and it also save our time and money. So, that's why we have designed a Examination Management System so it can save our time for both student and teachers. In written exams it takes lots of time and difficulties to solve, keeping that in mind online booking is best method for us to save time with various difficulty level.
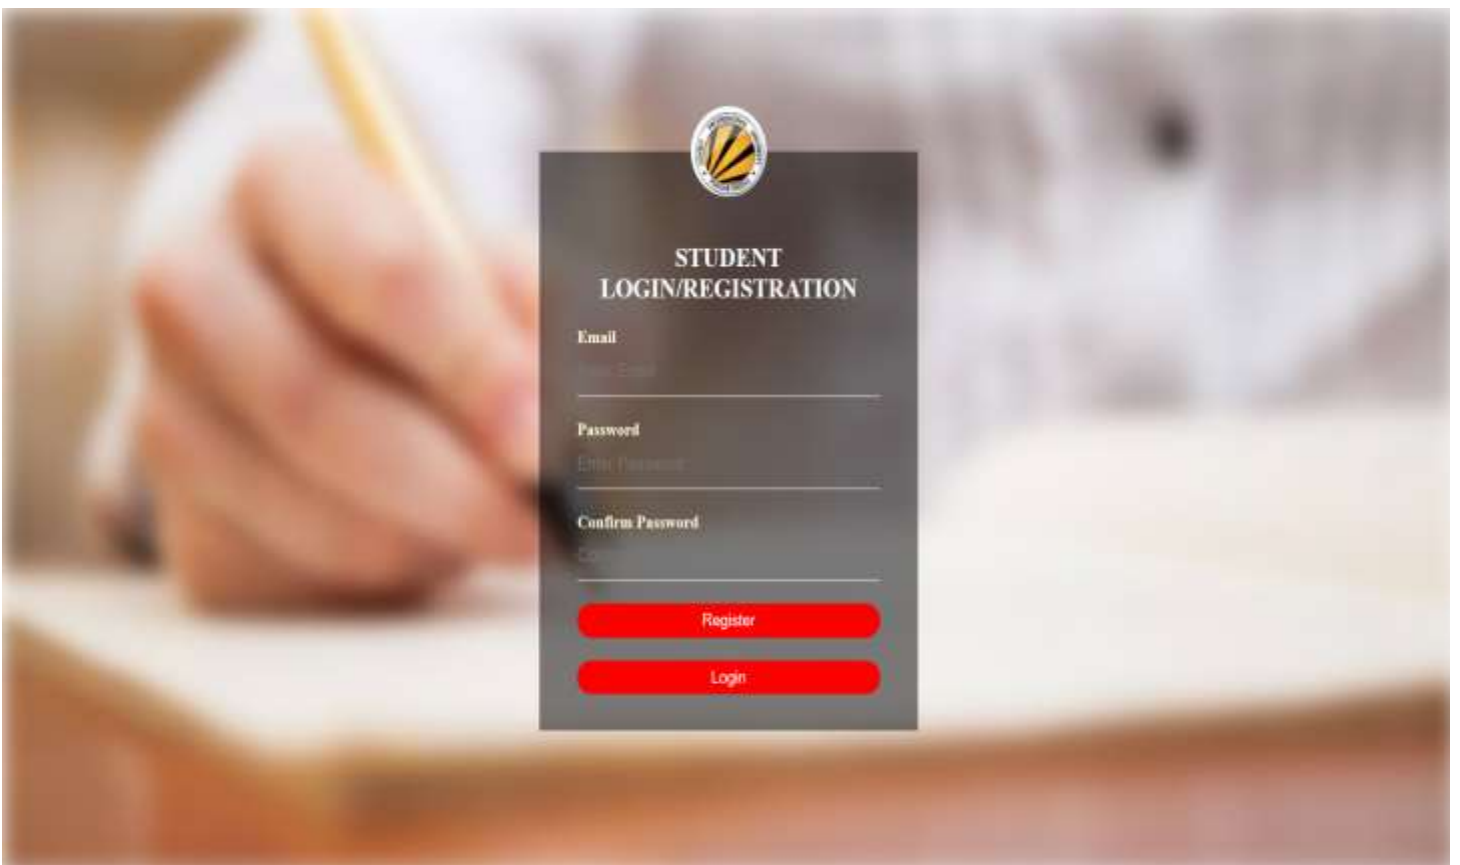

MODULES :-

HOME

- ➢ It is home page of our Website.
- ➢ From here any one can give test online.
- ➢ Student can apply for various test & practice here and also check the results of various online and offline given test.
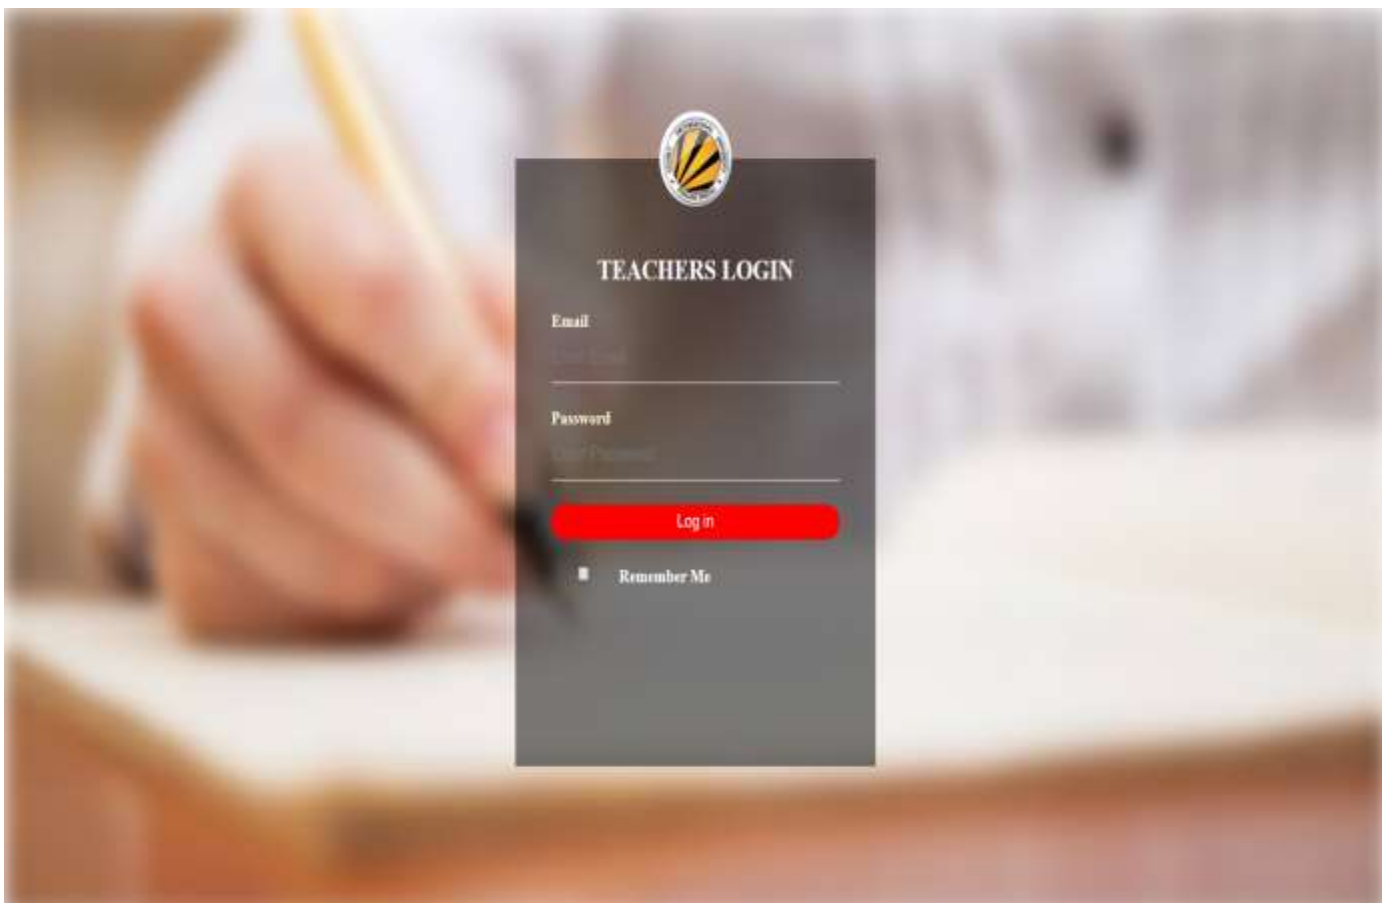

STUDENT LOGIN

➢ Student can apply for various test & practice here.

➢ Check the results of various online and offline given test.

➢ Can practise as many time as you want , no limits for practising.

TEACHERS LOGIN

➢ Teachers can assign and schedule test of different time.
➢ They can also upload the notes also.
➢ They can schedule different test on same day at different time slots.

RESULT

➢ Students can check their result after the practise test immediately.

➢ Other exam which result for which you have applied can also access from here.

➢ Offline exam result can also be check from here.

QUERY

➢ If you query related to anything on this website , you can submit here.

MORE

➢   Here you will all the details about various examinations that are held after 12th standard.

LIST OF COMPETITIVE EXAMS IN INDIA

Competitive Exams After 12th

Choosing a specific field after 12th standard can be confusing and burdening. Since your whole life ahead � your career is completely dependent on the competitive exam you take after your 12th standard, you must choose it wisely. There are a lot of competitive exams you can choose from, both regionally and nationally, to get into the best colleges of engineering, designing, medical, agriculture, pharmacy and many more. Go through our article to get an understanding of competitive exams after 12th. We have covered the most popular competitive exams after 12th in different streams here. Read on to find out.

Let us look at the national level competitive exams after 12th for various streams:

competitive exams after 12th in engineering stream

stream	Exam
ENGINEERING	a) Joint Entrance Examination (JEE) Main b) JEE Advanced c) Birla Institute of Technology and Science Admission Test (BITSAT) entrance exam d) COMED-K e) IPU-CET (B. Tech) f) Manipal (B. Tech) g) VITEEE h) AMU (B. Tech) i) NDA Entrance with PCM (MPC)
MEDICAL	a) National Eligibility Cum Entrance Test (NEET) b) AIIMS c) JIPMER
DEFENCE SERVICES	a) Indian Maritime University Common Entrance Test b) Indian Navy B.Tech Entry Scheme c) Indian Army Technical Entry Scheme (TES) � d) National Defence Academy and Naval Academy Examination (I)
FASHION AND DESIGN	a) National Institute of Fashion Technology (NIFT) Entrance Test b) National Institute of Design Admissions c) All India Entrance Examination for Design (AIEED) d) Symbiosis Institute of Design Exam e) Footwear Design and Development Institute f) Maeer�s MIT Institute of Design g) National Institute of Fashion Design h) National Aptitude Test in Architecture i) Center for Environmental Planning and Technology (CEPT)
SOCIAL SCIENCES	a) Banaras Hindu University b) IIT Madras Humanities and Social Sciences Entrance Examination (HSEE) c) TISS Bachelors Admission Test (TISS-BAT)
LAW	a) Common-Law Admission Test b) All India Law Entrance Test (AILET)
SCIENCE	a) Kishore Vaigyanik Protsahan Yojana (KVPY) b) National Entrance Screening Test (NEST)
MATHEMATICS	a) Indian Statistical Institute Admission b) Admissions to Universities (Various B.Sc Programs) c) Banasthali Vidyapith Admission

TECHNOLOGIES

HTML

➢ HTML is used for creating body of any webpage
➢ We have used many div tags to create several parts into body of html
➢ We have used button tags to create button in html
➢ Similarly there are so many tags used in this webpage

CSS

➢ CSS is used to design any html page
➢ We have used external CSS in this project
➢ WE have used Id and Class to write CSS Codes
➢ CSS makes any website looks attractive

s

JAVASCRIPT

➢ JavaScript is a programming language used in WebPages for many functions.
➢ In this Webpage we have used JavaScript for showing popup in many buttons

➢ There are so many pre-defined functions are available for JS which we have used

DESCRIPTION OF WORK OF EACH MEMBER

This project is made possible by Dammu sai Diwakar, Ganesh Kamal Reddy, Krishna Bhabat , Prajwal Luche

PRAJWAL LUCHE

All the registration and login pages with all html, css, javascript . Student login, Teachers login, Result. Synopsis and Final report.

KRISHNA BHABAT

Homepage, Query with all html, css and javascript. Submission and uploading on github.

GANESH KAMAL REDDY

More page only.

CONCLUSION :-

- ➢   We have learn how to design beautiful websites Using html and CSS.
- ➢   In this project we have also learnt how to make different tabs in one webpage.
- ➢   In this project we designed query form where user can ask any question.
- ➢   From this website student can self Improve .
